AORTA membership database
Help / Instructions

Logging in

 Your user name is: first.last
> (your first name, then your last name, separated by a period (BUT NO SPACES!!))
> The name is partially case-insensitive; you can enter it in all lower case,
> or you can capitalize your first name, your last name, or both.

Once logged in, you will see the following screen (with your own name):

The 'Members' box will list all your members, if you have included other family members in your membership.
